

Online donations to Bethel United Church

Online giving is a safe, secure and simple way to support the work and ministry of Bethel United Church. Your information is held securely and this information will remain private and will never be given away to third parties. You can schedule new contributions at any time and can modify or cancel those contributions at any time through your online dashboard.

WE'RE ADDING ANOTHER ONLINE GIVING PLATFORM: **RebelGive**

We're adding another online platform, called **RebelGive**. It is simple to use with a much more intuitive user interface.

Here's how:

1. This new platform is more affordable.
2. RebelGive partners with the giver to cover the processing fees so that 100% of the intended gift is given to the church. Unlike most other church giving providers, RebelGive doesn't inflate fees to keep a portion for themselves, so their processing fee is the lowest in the industry. What this means is that, by choosing to give digitally using this platform, you can have the convenience of giving online, while still allowing Bethel United Church to receive 100% of your gifts! This will allow us to save several thousand dollars every year in giving fees and be better stewards of your generous donations.
3. When you give using this new additional platform, there are a couple of options to give. A very small fee will be added to each transaction allowing Bethel United Church to receive 100% of the intended donation.
 - a) Give online with your credit card, visa debit or master card debit card. A 1.9% convenience fee will be added to your gift.
 - b) Please ensure you have a visa or master card debit card attached to your bank account.

HOW TO GIVE:

1. With this additional platform, online giving to Bethel United Church just click the giving icon at the bottom right corner of your screen on any page of buctoday.com and follow the **GivingFlow** prompts.
